RESPONSE

Sir:

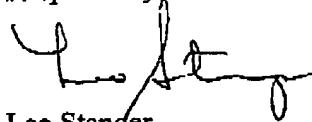

In response to the August 5, 2005 Official Action, applicant is respectfully submitting one drawing of Fig. 3 marked "REPLACEMENT DRAWING" and another drawing of Fig. 3 showing changes and identified as "ANNOTATED MARKED-UP DRAWING". Both drawings of Fig. 3 show the addition of the Filter Plate 55 which is supported by the specification on page 18 line 12. The "REPLACEMENT DRAWING" also shows the reference character 47. The "ANNOTATED MARKED-UP DRAWING" shows the character 47 replacing the reference character 49, thereby

conforming the drawing to the specification. Thus, it is respectfully requested that this objection to the drawings be withdrawn.

In view of the above and the previous submissions, it is respectfully requested that all the claims be allowed and the case passed to issue.

A favorable action is solicited.

Respectfully submitted.
